SENATOR SUMNER'S WHITE SLAVERY
IN THE BARBARY STATES. New and Superb
Edition, fully illustrated with 40 elegant designs by Billings,
engraved by Baker, Smith & Andrews.

This splendid work, which is counidered one of the best
productions of the elequent and talented author, is now offered to the public in this superb and attractive style, and
at the low price of 50 cents. It is a complete history of
White Slavery, its race, its progress, its termination, with an
account of the many distinguished men who were its victims, among whom were Cervantes, the author of Don
Quixote, St. Vincent de Paul, Arato, the Astronomer, and
numerous others, whose names and deeds are celebrated in
history. Let all apologists for the slavery of the Bisaske read
this admirable work, and then say whether or not the color
of the skin will sanction human chattelhood, and if so which
color shall be enalaved. Algorine White įSlavery was
brought to an end by British cannon. Mr. Summer, in describing the final scone, says:

"Before night the fleet fired, besides shells and rockets,
and shot, weighing more than five hundred tuna. The cusaid and massave batteries of Algiers were shattered, and
crumbled to ruins. The storebouses, slips, and gun boots,
were in flames, while the blaring lightnings of battle were
answered in a storm of signal fury, by the lightnings of
beaven. The power of the Great Slave Dealer was hunbled."

THE MINER'S JOURNAL, published at

Pottsville, Pennsylvania, has the largest circulation of any newspaper published in Northern Pennsylvania. In addition to its circulation among all the leasings men of schuylbill and the adjoining Countries, it circulates largely among the masses. It also circulates among the cost and iron men, and manufacturers generally, at home and abroad; and but few papers comprise so many capitalists among its parrons.
